ARNTZEN ANGUS RANCH – Hilger, MT

- 55 bred heifers Al'd AAR Essential, due Feb. 15*
- 30 AAR bull bred heifers due March 1-20*
- 30 AAR bull bred heifers due March 21 – April 10*
- 10 AAR bull bred heifers due April 11 – May 10*

*selling all as commercial

LOTS 101a,b,c...

LOTS 102a,b,c...

This offering is straight out of the Arntzen program. This set of females is selected to enhance any herd, providing consistency and performance. They are AI bred to AAR Essential, a Justified son sold in AAR production sale in 2020 to Circle L Angus. He has proven to be one of the best sons of KG Justified to carry on his legacy.

ARNTZEN ANGUS RANCH / STULC RANCH - Winifred, MT

- 32, bred heifers Al'd AAR Essential, due Feb. 15
- 17, AAR bull bred heifers due March 6-25
- 5, AAR bull bred heifers due March 26 - April 30

LOTS 108-110

Heifers originated from the Stulc Ranch north of Winifred, MT, a long-time Arntzen customer. Stulc Ranch is a fourth generation operation north of Winifred. This group runs in the breaks where cattle must be sound, able to travel and survive without pampering. The Stulc herd is consistently loaded with AAR genetics.

ARNTZEN ANGUS RANCH / SRAMEK – Hilger, MT

- 21 bred heifers Al'd AAR Essential, due Feb. 15
- 8 AAR bull bred heifers due in March 6-25
- 8 AAR bull bred heifers due in March 26 - April 30

LOTS 104-106

These heifers originated on Chris & Karrie (Arntzen) Sramek's ranch just north of Lewistown. Chris has built his herd by breeding exclusively AAR bulls and bought many replacements from Arntzen Angus he has also incorporated many AI sires over the years.

HEARTLAND CATTLE COMPANY – Moore, MT

- 35 bred heifers Al'd AAR Reinvested 5539, due Feb. 10
- 9 AAR bull bred heifers due March 1 - 30

LOTS 111-112

Heartland Cattle Company operate in the foothills of the Snowy Mountains near Moore, MT. This group of females is made of different set of heifers, which complement one another maintaining consistency in both type and kind. All of these heifers have as strong of an AAR influence as you'll find. Thirty head of these originated at Slivka Ag in Winifred. The rest are home raised at Heartland Cattle Company and Jerry Miller. 5539 was a top selling bull in the 2016 Arntzen bull sale – a very maternal bull with performance and calving ease.

MATT & JAMIE WICKENS – Winifred, MT

- 64 bred heifers Al'd AAR Justified 2616, due Feb. 20
- 33 AAR bull bred heifers due March 10- 30
- 19 AAR bull bred heifers due April 1 – 20

LOTS 114-116

AI calves are sexed with 38 b/c and 26 h/c to Justified 2616, one of the high sellers out of AAR's 2023 sale to Nelson Angus, Salmon, ID. These heifers are straight black, originating from the Hughes Ranch (Stanford, MT), a long-time Arntzen customer. Matt & Jamie appreciate quality; it shows in the success of their family-branded beef business that provides some of Bozeman's finest restaurants with steak and top-end beef cuts.

- 22 Black & Baldy bred heifers Al'd Justified 2616, due Feb. 20
- 20 Black & Baldy AAR bull bred heifers due March 10 – April 20

LOTS 117-118

AI calves are sexed with 11 b/c and 11 h/c.
 Excellent disposition, bull bred March 10 for 40 days.

BRED HEIFERS CONT'D...

JENNI RANCH – Thad & Don Jenni, Lewistown, MT
- 24 AAR bull bred heifers due March 10 – 30
- 17 AAR bull bred heifers due April

LOTS 122-123

The Jenni Ranch operates right on Spring Creek, laying homestead in 1882. They've bred in Arntzen genetics for decades. This offering is a mix of black and black baldy heifers, bred with maternal and performance in mind and would be a great addition to any cow herd.

KYLE DESCHEEMAER – Grass Range, MT
- 45 bred heifers AI'd AAR Knudson J040, due Feb. 11

LOT 113

These heifers were raised in central Montana originating from several ranches including Descheemaer, Bradley, and Olson Ranches. Great set of heifers with strong AAR genetic influence.

BEAU & TODD SMITH - Stanford, MT
- 40, bred heifers AI'd Ellingson Consistent 6235, due Feb. 25

LOT 119

AI bred to Ellingson Consistent 6235 for February 25 for one cycle, heifers originated from GDAR, Sidney, MT. Consistent was AAR's pick from Ellingson Angus 2017 sale. Calves have excellent thickness and depth of rib with superb foot quality.

SWANZ RANCH – Judith Gap, MT
- 45 bred heifers AI'd AAR Frontman 3132, due Feb. 18
- 40 AAR bull bred heifers due Feb. 22 – April 15

LOTS 120-121

AAR Frontman sires calving ease with sound structure and makes excellent daughters that are docile with great udders. They hold good fleshing ability and capacity.

Bull bred heifers for 60 days to Arntzen Angus calving ease bulls.

BRED COWS

ARNTZEN ANGUS RANCH, Hilger MT
- 33, home raised 3-4 year olds, AAR bull bred, due April*
- 8, home raised 3-4 year olds, AAR bull bred, due May*
- 11, home raised 5-6 year olds, AAR bull bred, due April*
- 4, home raised 5-6 year olds, AAR bull bred, due May*

**selling all as commercial*

LOTS 103a,b,c...

Here is an exciting group of running age cows that are sired by some of our top bulls. These girls are all great mothers that have good udders and sound structure.

REFERENCE SIRES

AAR ESSENTIAL

AAR Essential is a Justified son sold in the 2020 AAR production sale to Circle L Angus. He has proven to be one of the best sons of KG Justified to carry on his legacy.

AAR FRONTMAN 3132

AAR Frontman 3132 sires calving ease with very sound structure and good performance. His daughters have been excellent cows. They are very docile, have great udders and have very good fleshing ability and capacity. He's become a mainstay at AAR who covered cows again, at ten years of age.

AAR JUSTIFIED 2616

Justified 2616 was one of the high sellers out of AAR's 2023 sale to Nelson Angus in Salmon, ID. In his first set of calves we see low birth, and high performance from this Justified grandson. Progeny exhibit tremendous muscle and good disposition.
