*This is the first set of Bridger calves, and we couldn't be more excited about them. They are long made, moderate framed bulls with lots of eye appeal and calving ease. His dam is the famous herd sire producing B&B Blkbd Progress 3015. She is an ideal cow in every way. Sound footed, easy fleshing with a really nice udder.*

**Simonson Stryker-942**

Reg. 20491771
